An apperient and Stomach preparation of IRON purified of Oxygen and Carbon by Combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States and prescribed in their The experiences of thousands daily proves

that no preparation of Iron can be compared with it. Impurities of the blood, depression The blood is the life I and when any foreign or unbealthy matter gets mixed with it, it is at once distributed to severy organ of the body. Every avere feels the polion and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver cessos to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The image become clogged with the poisonans matter; hence, a rough—and all from a slight impurity at the fountain-bead of life—the Blood I. As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivalet, in a few minutes the whole course of the stream becomes disturbed and discolared. As quickly does impure blood By to every part, and leave its sting behind. All the parsages become obstructed, and unless the obstruction is sumover, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, univasited as a of vital energy pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz: In Debility, Nervous Affections, Ema-ciation DysPepsia, Consumption, Diarrheea, Dysentery, Incipient Consumption, Scrofulous Tuburculosis, Salt Rheum, Mis-menstruation. Prepared and put up in bottles and viuls only by C. W. Little, In using nothing else is required to relieve children of worms and besides being one of the best and cheapest ever offered to the public, its irequent use in families will save much trouble and expense as well as the lives of many children; for eigh out of every ten cases generally require it.

DR. LITTLE'S FRENCH MIXTURE.

This is prepared from a French Recipe (in the forms of No's, 1 and 2, the first for the ac ute, and No. 2 for the chronic stage.) that has been much improved upon in this country; & from its unexampled success is likely to su are so composed that disease within the range of their action can rarely, withstand or evade them fheir penetrating properties search, and cleans and invigorate every portion of the human orgatism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of their properties, the invalid who is bowed down witto properties, the invalid who is bowed down witto pain or physical debility is astonished to find health or energy restored by a remedy at once simple and inviting.

Not only do they cure the every-day complaint of every body, but also many formidable an alangerous diseases. The agent below named pleased to furnish gratis my American Almanau fortificates of their cures and direction for the ruse in the following complaints: Costing containing certificates of their cures and direction for the cure of the diseases of the kiddeys and Biadder, Gonforder Albus Affections. This extensive compound combines properties: otally different in the United States in Pharmacopoea or in privete practice; and in point of safety and efficiency is not rivalled in A regica.

BR. LITTLE'S RINGWORM & TETTER OINTMENT.

Hundreds of cases of Chronic Tetters, Scald Heads, and diseases of the skin generally, have been cured by this remedy, and since the introduction of the No 2 preparation (being stonger) scarcely a case has been found that
